

# The Australian Immunisation Register (AIR)

## Providing patients with their Immunisation history statement

It's easy to access a patient's Immunisation history statement on the AIR site.

From the **AIR main menu**, select **Identify Individual**.

Search for your patient using:

- Medicare Number and IRN or
- Name
- DOB
- Postcode.

If you can't locate your patient, you can create a new record.

Locate the individual's record

- select anywhere in the **Immunisation history** banner to expand the individual's immunisation history.

Select **Immunisation history statement**

- open the statement as a PDF document to print.
